

HIGH ROLLERS and FAST RACERS 5

Run to Las Vegas

Friday, March 30 thru Monday, April 2

The COCSD Racing Team will be heading back up to Spring Mountain Motor Resort and Country Club in beautiful Pahrump, Nevada. You've probably heard all about how much fun we have out on the track. We'll be running with the Las Vegas Region Porsche Club of America (LVRPCA) on the big 3.4-mile track layout.

We will be staying at the Las Vegas Hotel & Casino (formerly LV Hilton), so if you are a "high roller" and not a "fast racer", this run is for you, too! You can join the caravan up and back and spend the whole weekend in Vegas, if you choose. Or spend one day at the track with the "racers". However, because of insurance rules, you cannot ride along with a racer.

The LVH has all of the amenities that you would expect from a Las Vegas resort destination - nice rooms, a big casino, hot shows and great dining. You can also hop onto the monorail there and go check out other Vegas hot spots. We will be treated to VIP check-in and given huge food and beverage discounts, a \$10 gaming chip, a welcome basket and there will be reserved, secure covered parking just for us!

We will leave mid-morning on Friday. If we get enough "racers", we'll rent a van, so that we can leave the Vettes at the track and join the "rollers" for dinner on Saturday. We will be dining at TJ's, the LVH's 4-star steakhouse on Sunday evening and head back home on Monday.
